

Commission an original drawing or painting of your garden (or other favourite view or outdoor space!)

For an introductory offer of guide price £100 (approx A4 size) to £160 (approx A3 size) for finished piece.

Final price depends on medium and time spent. All materials and travel to areas local to Lee Green included.

Commission would involve a short consultation and some sketches in situ leading to a final piece finished in my studio. The finished piece can be in black and white or colour and in any medium. I currently work in pencil, charcoal, pastel, watercolour, acrylic, inks, felt pens and oils (an oil painting may cost a little more).

Please enquire to see my sketchbooks and to discuss my working process in more detail at Lee Green Open Studios 2022 where I am exhibiting at The Church of the Good Shepherd. More details and examples of my work on my website, www.kathleentaylorart.com or my instagram @kathtaylorart.
